

# Carefully Curated Cake Tools

**Preheated Listeners** have spoken and here's the list of the gadgets and appliances they can't live without when baking and frosting a cake:

## **For Mixing and Baking**

KitchenAid stand mixer

Rubber Spatula

Baker's Joy non-stick spray

Silicone or pre-cut parchment liners

## **For Ensuring Even Layers**

Cake leveler

Dental floss

Serrated knife

## **For Frosting**

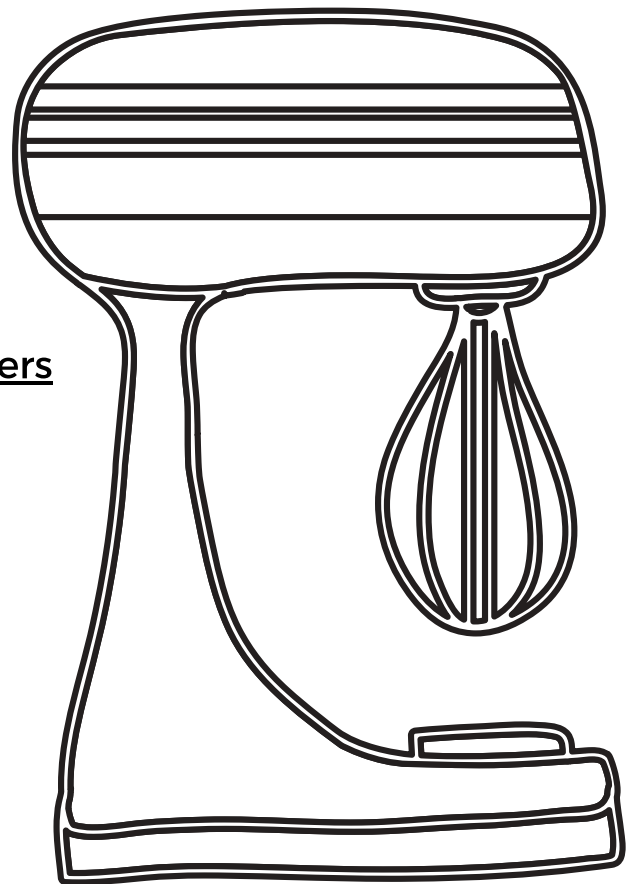

Cake lifter

Cake turntable

Pedestal cake stand

## **For Organizing Frosting Tips and Other Cake Supplies**

A fishing tackle box
